

# SPONSORSHIP OPPORTUNITIES

OCTOBER 18-20, 2023 - NASHVILLE, TN

## ABOUT THE SUMMIT

The **7th Annual College Autism Summit**, led by the College Autism Network and hosted by the Frist Center for Autism and Innovation, brings together scholars, practitioners, administrators, employers, and self-advocates to discuss evidence-driven strategies that help support college students with autism and related learning differences.

**The Summit is the premier conference focused on autism in higher education.**

**College Autism Network**  
ADVOCACY | RESEARCH | TRAINING

The **College Autism Network** is an independent organization linking varied stakeholders in evidence-guided efforts to improve access, experiences and outcomes for postsecondary students with autism. We support and connect autism-focused practitioners and scholars on campuses and beyond, including transition and employment specialists, self-advocates and families.

## WHY SPONSOR?

Sponsorships are an ideal way for organizations, companies, and individuals to demonstrate their support of the Summit and their commitment to empowering autistic students in higher education. The Summit and the College Autism Network have achieved a wide reach among scholars, practitioners, employers, and self-advocates across the world.

Our sponsors' generous support allows the College Autism Network to organize the annual Summit, develop training materials, distribute our newsletter, and maintain a website that has received tens of thousands of views.

**Your sponsorship helps us support autistic college students across the globe.**
