

Autistic college students, how do YOU define success?

Postsecondary Education: Autistic Collegians' Experiences of Success (PEACES)

Eligibility:

- Currently enrolled as an undergraduate college student
- Identify as autistic (formally or self-diagnosed, or in the process of obtaining diagnosis)
- Live in the United States

Activity:

Participants will be asked to complete an online survey that takes roughly 30 minutes to complete.

Questions focus on students' personal, social, psychological, academic, and professional experiences.

Participants will receive a \$25 gift card following successful survey completion.
